Wireless Mobydata, Inc Receives 2009 Best of Business Award

Small Business Commerce Association's Award Honors the Achievement of Wireless Mobydata, Inc.

SAN FRANCISCO, November 7, 2009, Wireless Mobydata, Inc has been selected for the 2009 Best of Business Award in the public safety communication systems category by the Small Business Commerce Association (SBCA)

The Small Business Commerce Association (SBCA) is pleased to announce that Wireless Mobydata, Inc has been selected for the 2009 Best of Business Award providing products and services to the Public Safety community including rugged computers, middleware, consulting services, fixed and mobile video and other products. You can find out more about Wireless Mobydata Inc, by visiting their web site at <http://www.wirelessmobydata.com>

The SBCA 2009 Award Program recognizes the top 5% of small businesses throughout the country. Using consumer feedback, the SBCA identifies companies that we believe have demonstrated what makes small businesses a vital part of the American economy. The selection committee chooses the award winners from nominees based off information taken from monthly surveys administered by the SBCA, a review of consumer rankings, and other consumer reports. Award winners are a valuable asset to their community and exemplify what makes small businesses great.

About Small Business Commerce Association (SBCA)

Small Business Commerce Association (SBCA) is a San Francisco based organization. The SBCA is a private sector entity that aims to provide tactical guidance with many day to day issues that small business owners face. In addition to our main goal of providing a central repository of small business operational advice; we use consumer feedback to identify companies that exemplify what makes small business a vital part of the American economy.
